

Help St. Patrick's through the Kroger Community Rewards Program

Thanks to our members' participation in the Kroger Community Rewards Program over the past nine months, St. Patrick's has received over **\$5,100**, and we have the potential to receive over **\$8,000 each year**. **All of us must re-enroll for the program in order to keep these contributions coming in 2010**. We also encourage anyone who is not currently enrolled in the program, to do so. Either way - new or re-enrollment – you will need to link your Kroger Plus card to St Patrick's organization number. Kroger has informed us that we may no longer enroll by use of the scan cards we used last year, but must establish an on-line account and link that account to St. Patrick's number.

Here's how to get started making your purchases count toward contributions to St. Pat's:

If you do not have a Kroger Plus card, you may easily obtain one at any Kroger customer service desk. If you use your phone number instead of a barcode card at the checkout, you can call 877-576-7587 to get your Kroger Plus card number. Once you have your Kroger Plus card, Go to www.krogercommunityrewards.com. If you already have a Kroger On-line Account, skip to step 5 to link your account to St. Patrick's; if you do not have an account, complete steps 1 through 4 to establish your account.

Establish a Kroger On-line Account

1. In the *New Online Customer?* box at the right side of the screen, click on *Sign up Today*.
2. Fill in the requested information, including your e-mail address and a password for the account.
3. Click *Next*, and continue through the sign-up procedure. At some point you will be told to look for a confirming e-mail from Kroger.
4. When you receive your confirming e-mail from Kroger, follow the instructions to complete establishing your on-line account. Once the account is established, complete the following steps to link your Kroger account to St. Patrick's:

Link your Kroger Account to St. Patrick's
